

April 30, 2004

Attention Residents:

I'm pleased to announce the official opening of Eastern Gardens Pool (EG). As always I must remind each Resident their responsibility in the use of the pool, so please take the time and carefully read Eastern Garden's "Pool Rules & Regulations". Failure to comply with these rules and regulations will result in the loss of your privileges to the pool and its use.

For your convenience and as a result to changes concerning the pools use, per the EG Board of Directors changes on 28 April 2004, and in accordance with Fair Housing, I'm providing you with the latest update.

Please note the change in respect to the pools hours of its opening and closing. It will now read, "**Adults & Children 8:00 a.m. to 10:00 p.m.**" as to the former "Children under 14 10:00 a.m. to 8:00 p.m." Changes supercedes any previous additions, so please insert the NEW "Rules Governing Use of the Swimming Pool" into your EG Documents Booklet.

Sincerely,

Theresa Williams
Community Director
Eastern Gardens Cooperative, Inc.
