(LIST OF CANDIDATES ON BACK SIDE)

Shirley Brown I have experience of being on the Board of Directors and consider it as my duty to participate as a co-op member, as it should be for everyone belonging to this co-op. The word co-op (definition) means to cooperate and participate and spread the work load. I think I bring a meaningful balance to this Board - representing new members and those established, as I am. I so appreciate the members' support.

Alina Chekrijeva I used to live in apartments and have owned a Condominium before so I have the experience that could and would help me to have a prospective on rules and regulations, how to govern through a Board. Also, being fluent in both Russian and English and working as an interpreter will help greatly with people who speak Russian in our community. And having two kids would be helpful for people with children.

Aliza Grant I would make a strong, effective Board member due to my open mindedness, and my decades of experience living in a co-op in San Francisco. I've lived here with this community for six (6) years and feel I can contribute some ideas that would help foster a sense of community and balance. I believe there can be a balance between differing perspectives and the day-to-day running of the business side of things. I know this to be true because I have lived it, and am eager to bring that experience to the Board.

Lynette Haley My name is Lynette Haley. I have a daughter who is a senior in High School & I work at a downtown hospital. I have served on the Board as an Alternate for the last 2 years. I have a great attendance record & actively participate in all discussions, interviews, etc. I don't always get my way but I always fight hard & negotiate for what I believe is right for all members. I feel Blessed to live here and I really enjoy the opportunity & sense of "giving back" that serving on the Board provides. With your vote I will continue to do my best by and for everyone. Thank you.

Ed Healy A member & resident of Eastern Gardens for 20 years, will be running for the 2014 Board to be a voice for the membership and the corporation. Having served on the Board as both Secretary & President, I've experienced the many challenges & issues that Eastern Gardens often encounters. As a previous Board member I've made every attempt to ensure the quality-of-life here has been maintained & to guarantee that the membership as a whole is considered when decisions were made & that they were based upon sound business practices for the benefit of both the members and the corporation. If elected I will continue to ensure that all shareholders are treated with equal consideration & to resolve issues in a fair & amicable manner so that you & I will continue to enjoy the many conveniences and benefits here at Eastern Gardens.

Mars Munasyпова Because it is my home and I want to do my part in keeping the property in good condition - in order for everyone to feel good living here. Thank you

Linda "Jetta" Ostrofsky I am a retired State Department of Rehabilitation "Account Clerk". I dealt with vendors, clients and money problems. I am running because I enjoy living at Eastern Gardens and would like to be involved in keeping it clean, well-run and well taken care of, while keeping expenses as low as possible. I care and want the best for Eastern Gardens. I go to open Board meetings and look forward to learning more about how things are run here. I feel that I am a fair person, will want to know both sides of an issue, and will vote for what is best for Eastern Gardens.
