Re: Commencement of Painting

Beginning Monday, September 15, 2014, the painting will begin, approximately thru September 30, 2014. Monday thru Friday, 8am - 5pm. Friday tomorrow, there will be minor primer painting, no need to move vehicles at this time, but do close all apartment windows.

Monday, starting with building:

- 3035/3037 then in a clockwise direction, see map on back.
- 3005/3007, 3015/3017,
- 3075/3077, 3087/3085,
- 3097/3095, 3067/3065,
- clubhouse, laundry rooms, carports, doors and then the exterior perimeter rod iron fence.

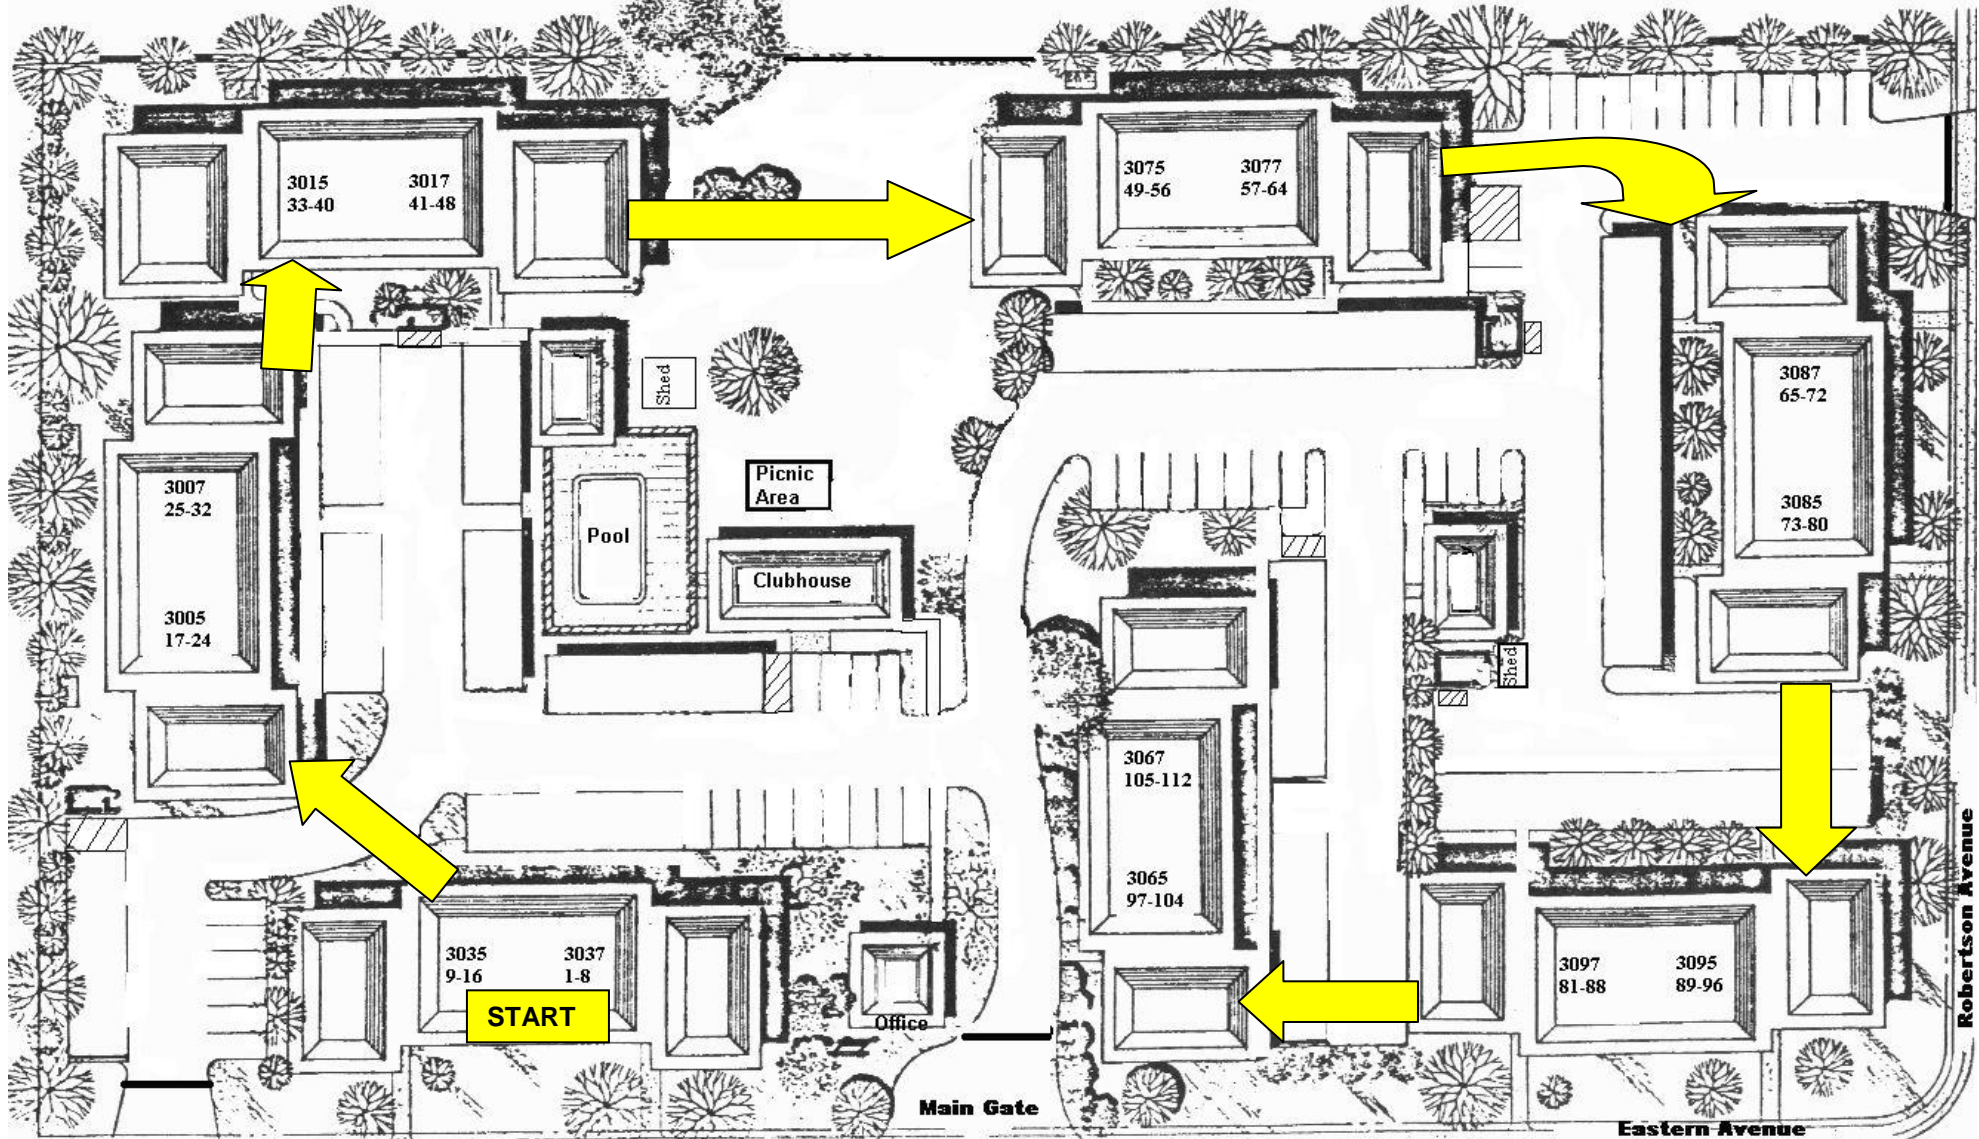

NOTE: When it comes to the painting of the apartment doors, (security doors excluded), each household member will be required to be present to open their door and be remained open allowing for drying time, which will take approximately 3-4 hours. You can have yourself, family member, friend or neighbor whichever the case, the door must remain open to allow for the door to dry, preventing it from sticking or drying closed, which would make it very difficult to open. In addition, a soft lubricant (petroleum jelly) will be placed on the weather stripping of the door to help prevent it from sticking. This is a few weeks away.

The moving of vehicles will be your choice. Wild West Painting will cover all vehicles when painting the building that is close to it. Due to so many variables, I'm not able to provide you with exact days of the week when it comes time to paint your building, so I'll make every effort to inform the members of each building when it comes time to paint their building. It will be approximately 2 or 3 days between buildings.

- **PLEASE TIGHTLY CLOSE ALL YOUR WINDOWS, THIS WILL INCLUDE YOUR VEHICLES**
- **DATES AND TIME SCHEDULES CAN NOT BE ADJUSTED TO ACCOMMODATE THE MEMBERSHIP, WITH EXCEPTION TO WEATHER CONDITIONS**
- **ADDITIONAL NOTICES WILL BE DISSEMINATED INFORMING THE MEMBERSHIP OF THE PROJECTS DETAILS AND OTHER REQUIRMENTS**

Thank You
