March 4, 2016

Hello Members

The Board of Directors now has an email address! You can send us any correspondence: inquiries, suggestions, concerns, kudos all welcome. Your email will be routed to the pertinent individual for your inquiry.

This is a wonderful start to EG working toward reduction of our costly paper usage, and will streamline our processes. For those members who don't use email, the suggestion box in the office is still available.

Email us at Board@easterngardenscoop.org

Sincerely,
Your Board of Directors
